

ATTENTION DISTRICT 7 MEMBERS

Below is a list of names of folks for whom we have applications in house. However, no card has been issued. For most it is because there has been NO NOTARIZED Application submitted for a rider under 18 years of age. For Others it is because incorrect fees were submitted with the application. For some, it is just simply that no class was indicated on the application. We can't issue a card without knowing what class to issue it for. IF your name is here please contact the District Membership Chairperson, Hilly Bell, at 410-343-1721 OR district7membership@comcast.net to resolve the issue and get your card.
