

Motorcycle Accident Victims

P.O. Box 248 Bear Delaware 19701

Dear Fellow Riders,

Motorcycle Accident Victims Inc. (M.A.V.) is an approved 501(c)3 charitable organization founded in 1994 and is dedicated to provide assistance to motorcyclists in motorcycle accidents due to no fault of their own. M.A.V. is also on the United Way Designation List. Our all-volunteer Board of Directors is comprised of present and former officers of local motorcycle organizations. Our event volunteers are both bikers and non-bikers dedicated to helping those during troubled times. We hold several events each year to raise funds to help meet the needs of motorcyclists and their families in their time of crises. M.A.V. is one of a handful of such organizations nation wide that helps fellow riders, which makes us unique.

Motorcyclists get together and donate their time and dollars to support many deserving charities throughout the year. Yes, bikers are the first to answer the call when someone is in need, however where can the biker turn when he or she is the one in need? Many times following an accident they find themselves faced with a long recovery, slow legal settlements, limited insurance settlements, mounting bills and no income.

It's time we start helping our own. Please help us to assist those in need by supporting our events, making donations of any amount, posting information regarding our events on your web-sites, or in your membership newsletters. Door prizes and silent auction items are also welcome. For over a decade M.A.V. has been helping fellow riders in their time of need. To date we are proud to say, all who have qualified have received assistance. Donations are tax deductible and can be mailed to: M.A.V., P.O. Box 248 Bear DE 19701. If by chance you are unable to attend one of our events. All Proceeds Help Motorcycle Accident Victims In Their Time Of Need.
